The **5th Annual Colorado Conference on Girls** aims to bring together people who work with and on behalf of girls across Colorado to network, increase collaboration, build capacity, and educate around issues dealing with and concerning girls. Join as we come together to learn about the different ways we can work with Colorado's girls to move the needle and ensure that all girls have the opportunity to reach their full potential! Visit www.cocoalitionforgirls.org for more information and to register today.
